**Text** @[100021608264713:2048: ] have you seen any evidence, or read any of the reports from any of the counties? Or the most recent 36 page report? Schtaaapppp demanding that we take a look at the evidence isn't treason and you can't claim fair election. The electors are still disputed , and more senators plan on disputing the certification of the elector votes so it'll be fine I have no doubt.
